

# ARE YOU AS GREAT AS THE NEED?

BE A PART OF AN ORGANIZATION THAT HELPS PEOPLE  
REACH THEIR HIGHEST LEVEL OF INDEPENDENCE.

## H O M E C A R E   S E R V I C E S

Ninety percent of adults over the age of 65 prefer to stay in their current residence as they age. With a career with ResCare, you'll help us meet the unique needs of aging-in-place seniors and help them to maintain their highest level of independence. To continue our legacy of serving the most vulnerable among us, ResCare needs your help. As a member of our organization, you'll provide invaluable services from periodic social visits to around-the-clock monitoring.

Assistance may take the form of help with personal care, transferring and ambulation, meal preparation, housekeeping, laundry, transportation, errands or medication management.
