FEUER POWERTRAIN NORTH AMERICA, INC.

A Tier I manufacturer & supplier of crankshafts for the automotive and transportation industry. We are recruiting for our brand-new production facility in Robinsonville, MS (just outside of Memphis, TN). Enjoy working in a state-of-the-art, climate controlled facility that's fully automated and designed to foster innovation and advanced manufacturing processes. We are currently seeking:

- **CNC OPERATORS/PROGRAMMERS**
- **PROJECT ENGINEER**
- **MAINTENANCE TECHNICIANS**
- **QUALITY TECHNICIANS**
- **QUALITY ENGINEER**
- **TOOL ROOM TECHNICIAN**

This is a ground floor opportunity. We offer competitive wages + excellent benefits + generous vacation package + matching 401(k) + relocation assistance

Please submit resumes to: jobs@feuer-usa.com
