

VESUVIUS

Vesuvius USA, a world leader in the design, engineering, manufacturing and delivery of refractory products, systems and services for high-technology industrial applications, is currently seeking a Slidegate Refractory Engineer for our Champaign, Illinois location.

KEY RESULTS AREAS: _____

- Manage creation of sales and production prints to meet requirements for RFQ's, test requests and ECR's.
- Investigate and develop continuing product improvements based on sales and manufacturing requests.

KNOWLEDGE/EXPERIENCE/SKILLS NEEDED: _____

- Minimum of 3 years' experience in technical, manufacturing, or related field preferred.
- Bachelor's degree in Mechanical Engineering or related field preferred.
- Ability to travel up to 10% of the time (domestic and international).
- Modelling/Design with SolidWorks or equivalent 3D design software.
- Ability to participate in and contribute to a collaborative, global team environment.

Vesuvius USA offers the opportunity to contribute to the success of a world class organization, a competitive salary, and outstanding benefits, including a generous and flexible retirement plan. For confidential consideration, please apply on-line at the following link: <http://is.gd/vesjobs>, and reference requisition CP18-005.

Vesuvius USA is an Equal Employment Opportunity/Affirmative Action employer that promotes work force diversity and hires without regard to race, color, religion, national origin, age, gender, marital status, disability, sexual orientation, veteran status or other protected status.
